

Anthony Toledo, Ph.D.

VoyagerTree.com

PROFESSIONAL SUMMARY

I am a war veteran that served in multiple government branches, with extensive years in public health and safety, and a robust set of skills developed in security and emergency medical operations. I have grown and thrived in various professional work environments in different regions of the world. I have worked in multiple roles involving comprehensive digital literacy and data analysis. I am a lifelong learner, team player, and thoroughly skilled in lifesaving and protective techniques. I am a self-published author, with years of experience as an independent researcher and participant observer.
